

Southwest Baptist UNIVERSITY

ASN Program Outcomes

Current job placement rates and program completion rates for the Associate of Science in Nursing (ASN) program within the Mercy College of Nursing and Health Sciences of Southwest Baptist University.

2019 Job Placement Rates

Associate of Science in Nursing: 97% (hired as an ASN-prepared nurse at the time of graduation)

Program Completion Rates

Program Name	Year	Average Completion Rate
ASN	2019	74%

Completion rates are determined by noting the start date of the first nursing course and the completion date of the last nursing course in the program calculated at 150% of the published program length.

ASN NCLEX Pass Rates

Year	Pass Rate
2017	91.24%
2018	83.15%
2019	88.72%
